

# CITY OF PRINCE RUPERT

## COUNCIL CORNER

### Update from Council Meeting — June 25th, 2018

- ⇒ Council held a **Committee of the Whole session to hear general comments and feedback from the public.** The opportunity for comments on the City's Annual Report was also held during this session.
- ⇒ Council voted to approve a **Development Permit for the 1500 Block of Park Avenue, which will house a 36 unit BC Housing project, to be managed by the North Coast Transition Society.** The new development will provide housing as well as wraparound services to the homeless in Prince Rupert.
- ⇒ Council voted to allow a **Development Variance Permit for 1053 1st Avenue West** to proceed to public notification.
- ⇒ Council **approved the Annual Report** after receiving no public comment when opportunity was provided at the Committee of the Whole. **Copies of the Report are available at City Hall, the Recreation Complex, the Public Library, and online.**
- ⇒ In the interests of generating greater local benefit from the fishing industry, Council **voted to forward a resolution to the Union of BC Municipalities Conference (UBCM) requesting support for regulatory principles of adjacency and fleet separation to be applied to the fishing industry** on the West Coast of Canada, in line with the framework applied on the East Coast of Canada.
- ⇒ Council **voted to pass Elections Voting Procedure and Automated Vote Counting System Authorization Bylaw No 3428, 2018** in advance of the upcoming municipal election scheduled for October 20th, of 2018.
