

Background and Introduction May 4, 2015 Community survey Workshop

Five points, 5 minutes each = 30 minutes.

One = we official started in September 2013 with Stats and Touchstones workshop

Three = results from, (not exactly what we aimed; but one of the few bunny paths that produced desired results:

1. Brad - About language and meaning.....VCs = Indicators.....and base line information
2. Robin - Starting to articulate "shadow population"

1. Housing Indicator
2. Land Base Indicator
3. And now Population Indicator

Five = Status
