## **City of Prince Rupert's Go Plan Survey Enumerator Training Session**

**June 7, 2015**

On June 7, 2015 the City of Prince Rupert hosted an enumerator training session for the purposes of recruiting and training volunteers to enumerate the Go Plan Survey.

The event was hosted at the Go Plan Survey Headquarters from 4pm until 8pm. The event attracted approximately 12 new volunteers and was also attended by representatives from the City of Prince Rupert's Mayor and Council, senior

administration, as well as the media. The event resulted in almost all attendees committing to participate in the Go Plan Survey as volunteer enumerators. Hannes Edinger and Sarah Railton from Big River Analytics and Mike Dewar from the City of Prince Rupert hosted training sessions. Following training, pizza and light refreshments were provided for all participants.
