City of Prince Rupert's Go Plan Survey at Seafest

June 13, 2015

On June 13, 2015 the City of Prince Rupert participated in the annual Seafest events with a booth intended to engage city residents to participate in the Go Plan Survey.

Three Go Plan Survey representatives and one City Councilor interacted with Seafest partakers from 11am until 4pm through the course of the day's festivities. Residents completed a total of 125 surveys, with 23 participants being apart of the Go Plan Survey sample population. The event created an additional access point for

residents to participate in the survey as well increased public awareness of the Go Plan Survey campaign.
