## **REPORT TO COUNCIL**

### Regular Meeting of Council

**DATE:** April 29, 2024  
**TO:** Robert Buchan, City Manager  
**FROM:** Corinne Bomben, Chief Financial Officer

**SUBJECT: 2024 FIVE YEAR FINANCIAL PLAN AMENDMENT BYLAW  
NO. 3529, 2024**

---

#### **RECOMMENDATION:**

**THAT Council give First, Second and Third reading to the 2024 Five Year Financial Plan Amendment Bylaw No. 3529, 2024**

#### **REASON FOR REPORT:**

Under the Community Charter, a municipality must adopt a Five Year Financial Plan annually. A financial plan may also be amended by bylaw at any time. This report outlines the items included in the attached Financial Plan Amendment Bylaw.

#### **BACKGROUND:**

Council adopted the 2024 Five Year Financial Plan in December 2023 which provided staff with approval to provide services for the 2024 fiscal year. It also enabled staff to proceed with procurement for capital and special projects. It was noted in December that a budget amendment would be forthcoming in Spring of 2024 once estimates could be refined and 2024 assessment values became available.

#### **ANALYSIS:**

The attached financial plan amendment bylaw includes the incorporation of changes approved by resolution in the first quarter of 2024, changes in mandatory employment related costs (MERC), reallocation of revenues and costs to departments charged with their management (essentially a restructuring of department responsibility), and updates to the infrastructure replacement project. The attached summary of changes outlines the changes by fund along with the reasons for 2024. The remaining four years of the five-year financial plan have also been updated for changes to the expected funding and costs associated with the infrastructure replacement project.

The bulk of the changes are within grant funded projects with the MERC changes affecting property taxes negatively. However, the non-market change in property assessments brought in enough taxation from new properties to offset these cost increases. As a result, the property tax increase proposed in the fall of 2023 has not changed and remains at 7.7%.

*Public Comment*

To obtain public feedback, notice of the proposed amendment to the Five-Year Financial Plan has been posted on the City Hall notice board, the City’s website and on social media. Feedback received will be provided to Council to assist in deliberation on the Financial Plan amendment proposed.

**LINK TO STRATEGIC PLAN:**

This amendment to the Five-Year Financial Plan supports overall required service provision to the public.

**CONCLUSION:**

The Community Charter permits amendments to the financial plan. Council’s approval of the attached bylaw to amend the Five-Year Financial Plan will align the budget with revised expectations for 2024 through 2028.

CITY OF PRINCE RUPERT

2024 Five Year Financial Plan

The *Community Charter* requires certain information be presented as part of the Five Year Financial Plan. The following Section citations reference the *Community Charter*:

**1. Portion of Funding from Revenue Sources (Section 165 (3.1)a)**

Table One (1) shows the proportion and value of the total revenue proposed to be raised from each funding source in 2024. Grants and other miscellaneous revenues form the largest portion of planned revenue as the City is undertaking many large Capital projects (for example, Water Line renewal, Sewer Line renewal, Waterfront Development) for which large grants have been secured.

New debt to be advanced forms the second largest non-tax funding source in 2024 as the City is borrowing to complete the new RCMP Detachment, fund a portion of the Airport Ferry refit/repower, design Water Capital projects, and replace Sewer lines in tandem with Water line Renewal. Property value taxes are the largest revenue source to support City operations. The property taxation system is relatively easy to administer and understand. It provides a stable and consistent source of revenue for many services that are difficult or undesirable to fund on a user-pay basis. These include services such as fire protection, police protection, bylaw enforcement, libraries, and street maintenance. For these reasons, property value taxation will continue to be a major source of municipal revenue.

**Table 1**

<b>Funding Source</b>	<b>Percentage (%) of Revenue</b>	<b>Amount (\$)</b>
Municipal Property Taxes	19%	28,459,000
Payment in Lieu of Taxes & Prov. Grants	2%	3,626,000
User Fees & Charges	10%	14,966,000
Accruals	2%	2,880,000

Accumulated Utilities Operating Surplus	3%	4,492,000
Grants and Other Miscellaneous Revenue	37%	56,877,000
Dividend- Prince Rupert Legacy	3%	4,161,000

<b>Total</b>	<b>100%</b>	<b>152,928,000</b>

**Schedule “A”**

CITY OF PRINCE RUPERT

2024 Five Year Financial Plan

Objective

- Council will attempt to increase the proportion of City revenue that is derived from sources other than property taxes.

Policy

- Council reviews the fees charged for various services to ensure that the users of the service are paying a fair portion of the operating and capital cost of the service;
- Council will supplement infrastructure expenditures by aggressively pursuing federal and provincial grants; and,
- Council will encourage staff to develop new revenue sources.

**2. Distribution of Property Value Taxes (Section 165 (3.1)(b))**

The City of Prince Rupert determines the current tax rate for each property class by first adjusting the prior year’s tax rate by the BC Assessment generated statistic for *Change in Property Assessment Market Value* for that property classification. The adjusted tax rate is then increased or decreased by the percentage tax increase that Council has set for the current Financial Year.

By providing this consistency, taxpayers in the various classes have stability and confidence in knowing how their future tax bills will be calculated. The City also is required to follow the Provincial Regulation which sets the maximum rates for Port Property Taxes at \$27.50/\$1,000, and \$22.50/\$1,000 for property and improvements that are listed in the Regulation.

Table (2) shows the current property tax revenues of each classification except those classes with zero tax revenue, based on the 2024 Revised Assessment Roll (which is subject to change):

**Table 2**

<b>Property Class</b>	<b>% of Tax Revenue</b>	<b>Amount (\$)</b>
Residential	32%	8,959,000
Utility	1%	356,000
Major Industry	26%	7,448,000
Major Industry Port Property Tax Act	15%	4,212,000
Light Industry	3%	800,000
Business	23%	6,661,000
Recreation	0%	23,000
<b>Total</b>	<b>100%</b>	<b>28,459,000</b>

**11. Proposed Interfund Borrowing and Transfers of Reserves (Sections 165(8)(a) and 180)**

Funding was needed for the financial shortfall of \$1,301,000 on capital water main replacements in 2023, part of which was borrowed from the Land Acquisition and Disposal Reserve Fund. This reserve lent \$845,000 to the Water Capital Program Reserve Fund which is proposed to be repaid with interest in 2024. This repayment is funded by interest revenue earned in the Water Fund. Table 8a proposes this repayment, after which there is no outstanding internal borrowing between Reserve Funds:

## REPORT TO COUNCIL

### Regular Meeting of Council

**DATE:** April 29, 2024  
**TO:** Robert Buchan, City Manager  
**FROM:** Corinne Bomben, Chief Financial Officer

**SUBJECT: 2024 PROPERTY TAX BYLAW NO. 3530, 2024**

---

**THAT Council Introduce and give First, Second, and Third Readings to the 2024 Property Tax Bylaw No. 3530, 2024.**

#### **BACKGROUND:**

Pursuant to the *Community Charter*, the City of Prince Rupert must prepare a Five-Year Financial Plan Bylaw and an Annual Property Tax Bylaw. Both Bylaws must be adopted on or before May 14th of the current year.

The Five-Year Financial Plan describes the expenditures the City of Prince Rupert (“CPR”) contemplates to make during the year. The Annual Property Tax Bylaw sets the levies for the Municipal Property Taxes which the Five-Year Financial Plan is dependent upon for funding the proposed expenditures.

The Annual Property Tax Bylaw also sets the property tax levies for two other taxing authorities based on requisitions they send to the City:

- North Coast Regional District (“NCRD”)
- Northwest Regional Hospital District (“NWRHD”)

Table 1 shows the annual taxes these entities have raised during the past five years.

Year	NCRD	NWRHD	CPR
2024	925,155	1,855,277	28,459,000
2023	879,092	1,806,453	25,999,000
